

Career Center Core Workshops

Ace Your Interview

Preparing for an upcoming interview (e.g. on-campus recruiting)? Come to this workshop to familiarize yourself with the type of initial interviews you might face and possible follow-up interview scenarios.

All About Networking

Most of the best jobs are not advertised, but are found through networking. This workshop provides an overview to building your network of contacts.

Creating Cover Letters

A cover letter is a perfect compliment to your resume. Attend this workshop to learn what a cover letter should include and how to customize it to a specific job.

Finding an Internship

Learn tips for finding the internship you want! Questions addressed include: When to start your search? Where to look for the internship you want? How to prepare properly for your internship?

Job Search Strategies

How can I find a job that is right for me? This workshop will address the importance of interests, skills and values in a successful job search. Learn the steps to take and identify sources for job information.

Make the Most of the Career Fair

Learn the basics of networking, connecting with employers and preparing for positive and productive interactions at the Career Fair.

Resume Basics

Never written a resume before? Or has it been a while since you updated your existing one? Attend this workshop to learn how to create an effective resume that not only looks good but communicates your transferable skills to potential employers.

Negotiating Salaries

Learn how to research salaries, how to evaluate and determine if you can negotiate an offer. This workshop will also familiarize participants with the process of receiving job offers and negotiating a compensation package.

Consult the Career Center and GWork online calendars for specific workshop dates and times.
