

Instructions for Completing the 2009-2010 Federal Stafford Loan Data Form

If you have not previously borrowed a Stafford Loan at GW, or wish to change your lender, please follow the first time borrower instructions on our website. DO NOT complete this form.

1. Fill in the name of the lender which you used for your previous Stafford Loan(s). You can access the name of your lender in the "Loan Application History" section of GWeb at www.gweb.gwu.edu.

If you have chosen a lender which does not participate in EFT, you must supply us with the address to which the certification is to be sent for processing. This information can be provided by your lender. Please complete The Lender Information Sheet which is available online at <http://gwired.gwu.edu/finaid>. If the requested information on that form is incomplete, the Loan Data Form and Lender Information Sheet will be returned to you for the correct information.

2. Indicate the requested loan amount. See the loan limits on the Loan Data Form.

The processing of aid for students enrolled in a distance education (DE) program is based on current federal regulations. The cost of attendance component for DE students includes tuition, fees, books and supplies (living expenses are not included.) A student enrolled in one of the DE programs is not eligible for University grants and/or scholarships.

Please return the completed Loan Data Form as quickly as possible so we can begin the processing of your loan. Please return completed form to:
