

GW Major Field Names and Codes
and
Federal *Classification of Instructional Programs* (CIP) Names and Codes

Alphabetical Order by GW Major Field Name

Updated May 02, 2008

The Data: This data was produced and is maintained by GW Institutional Research. It is a dynamic list that changes as new majors are approved and enroll students, and as the names of current majors are modified. The data in this document was sorted and color coded by the GW International Services Office (ISO).

Color Coding: Major fields highlighted in blue have been designated by the U.S. Department of Homeland Security (DHS) as science, technology, engineering, and mathematics (STEM) fields for purposes of post-completion Optional Practical Training for international students in F-1 immigration status.
